Submitted with reference to para 4 of the Proc. FEB --

It is stated that it is for the sake of convenience for 6170 avoiding too much of scriptory work in the depot and also on account of the importance and status which the Sri Mutt at Sringeri holds that the system of issuing foodgrains to the Mutt on credit for a period of one month, recoupable at the end of each month was recommended and that as this recommendation is made as a special case, it is not likely to become a precedent for other mutts, and that the affairs of the mutt are under the management of Govt for the time being.

Sir,

Re: Sale of foodgrains to Sri Mutt at Sringeri on credit.

I have the honour to enclose herewith copy of letter No.F.1. 7382 dated 23-11-44 from the Deputy Commissioner, Kadur, recommending for sanction, the issue of foodgrains to the Sri Mutt on credit, to the extent of each month's supplies and take payment once a month and to state that for the reasons explained by the Deputy Commissioner and in view of the status and importance of the above institution, such a facility may well be afforded. I request you to kindly obtain approval of Government extending credit facilities to the Sri Mutt as a special case, as recommended by the Deputy Commissioner, Kadur and to communicate the same to me.

I have the honour to be
Sir,
Your most obedient servant,

Issue of articles from the Government Depot to the Sri Mutt at Sringeri.

I have the honour to state that the food grains and other articles are issued from the Government Depot to the Sri Mutt on indents and a consolidated bill is prepared and sent every month for payment before close of the month. The total monthly sales are about Rs.500/- on an average. As issue of bills for each and every article will increase routine work both in the Sri Mutt and the Depot, the system of monthly consolidated bills has been adopted and there has been no trouble so in accounting or in collection of dues. As the system adopted is practically sale of goods on credit, though for a short period, I request formal approval to the system ~~xxxxx~~ followed at Sringeri as a special case.
